# FOREWORD

For the first time in twenty years Louisiana history is being taught at Bolton. Because of this and because the peace and quiet of the Louisiana landscape offer needed relief from the strain of war, we have used its natural beauty as a theme for this year's BRUIN.

Louisiana is so rich not only in beauty, but in history, in romance, in legend and in colorful pageantry we are hoping that future BRUIN staffs will follow the idea through several editions.

We, therefore, presume to call this the Louisiana Edition, Vol. I — "Louisiana—Its Natural Beauty."

MRS. IRENE MILLER HOLLOMAN

Head of the Department of Foreign Languages  
And Faculty Advisor of Cumtux

In this, the thirty-third year of our Alma Mater, we, the senior class are proud to have within the faculty a woman whose excellent wisdom, broad knowledge, and outstanding character, as expressed in terms of her association and service with us, reflect the very highest type of education to which Bolton has attained. In her twenty-eight years at Bolton, she has shown the highest degree of excellence, judgment, and kindness as a teacher of Latin and journalism. In her eleven years as director of Bolton's weekly newspaper, Cumtux, she has displayed always the good qualities of wise counseling and patient understanding that go to make up an efficient sponsor.

In recognition of her untiring years of service to school and to community, and in appreciation of her leadership in attaining the success and growth of Bolton, we the members of the senior class do dedicate this, Volume XX, of the Bruin.

MRS IRENE M HOLLOMAN

## FACULTY

The Bolton Faculty has often been referred to as a group of individuals. And that is the way we like them to be. It is so much more interesting and inspiring to be taught by that type of person. But some of us, probably going blindly on our way, have failed to see their human side or know them outside the classroom. For instance, we all appreciate what Mr. Brame means to the smooth running of the school and to each of us individually, but did you know that next year will be his 40th at Bolton, that he is one of the best known educators in the South, an outstanding member of the College Commission of the Southern Association of Secondary Schools and Colleges, that he has created the most perfect set of school records in Louisiana, that he is one of the most progressive of school men, that he is in the Chamber of Commerce, on the Library Board and a member of the Kiwanis Club?

Did you know that besides being about the wittiest and cleverest person you've come in contact with, Mrs. Peters wrote one of the text books you use in English classes, that she is probably the most widely known and respected English teacher in Louisiana, that she takes an active part in at least a dozen clubs and organizations in town and in the state, that she has two sons overseas?

Did you know that Miss Thornton is known to George Washington, that besides spinning three clubs, being Dear of Girls and handling the big job of stamps and bond sales, she somehow finds time and energy to direct "Harmony Hangout" to serve on the Library Board and be state president of the Delta Kappa Gamma, an honorary fraternity of outstanding teachers, that she is a frequent contributor to numerous magazines and journals?

Did you know that Mr. Smith is an ardent farmer when he gets away from school, that he is an artist and drew the sketch of the L. S. U. Tiger which is still being used?

Did you know that Miss Kilpatrick, Miss Pegues and Miss Morgan all paint and that Miss Morgan has a studio of her own, that Mr. Hawkins made the architect's drawing for the planned new addition to the Episcopal Church, that Miss Kilpatrick is an enthusiastic collector of stamps, old coins, and antique glass?

Did you know that Mrs. Langmore, Bruin Sponsor until this year, has taught 30 years and plans to retire at the end of this semester?

This is just a beginning and we might go on and on if space permitted, but this proves our point that the faculty is made up not only of people who have had fine scholastic and professional preparation for their work but are interesting individuals with wide and varied interests outside the classroom. No wonder life at Bolton is so varied and challenging. We are proud to have the opportunity to be in the classes of these individualists.

## CAMPUS QUEEN AND FAVORITES

There was a time, before the war, when being chosen Carnival Queen or one of her ladies-in-waiting was the high point of social achievement for the girls in Boston. The money and time and effort once expended on Carnival has, for the time being, been diverted to efforts that will help win the war. Until peace comes the girls are proud to sacrifice the glamour and excitement of Carnival and to value the quiet though none the less deep honor of being selected Campus Queen and favorites with no bells or fanfare but merely this recognition through Bruin, of their social leadership and their popularity.

**These are the favorites of 1945.**

Shirley Hickman, Campus Queen, vivacious, witty with a pixie-like quality wide awake and in her toes and into everything. Her lovable personality, her cheerful manner and unselfishness have endeared her to everyone.

Minnie O'Shea, runner-up, a picture of casual loveliness overflowing with pep and personality,

Rosalyn Merritt with her enchanting manner, and unforgettable charm

June Catey so typically Southern she makes you think of white columned mansions and magnolias,

Frank Boston abounding in energy and enthusiasm for whatever she undertakes, with a mind of her own and plenty of determination,

Dorcas West overflowing with personality the kind of person one loves to nickname,

Polly Adams, unsophisticated and genuinely friendly with a quiet charm all her own,

Kathleen Hooe, with her radiant smile, and her assurance and poise,

Gracie Wolf well named for she is grace itself as majorette but on the football field and her manner is always one of easy graciousness

Here then are your favorites chosen for popularity, but incidentally they happen to be among our prettiest and wisest and among the most outstanding in scholarship and school service whose selection speaks well for the good judgment of the entire student body.

# WHO'S WHO

It has been customary for many years to select, by popular vote, what we have until now called "Personalities." The first twelve students in this section were selected in the traditional way. Bruin has chosen to enlarge the section under a new name and thus give recognition to others who have been outstanding in their various contributions to life at Bolton

JOE VILLARD—Best All-round Senior Boy—the only person whom we know who has beaten Roosevelt's record. Joe has served as President of his class for eight terms

JACK CAPPEL—Best Looking Senior Boy—the main cog in most activities, is president of the Senior class and is popular with the whole campus

ROSALYN MERRITT—Best All-round Senior Girl—has been in numerous clubs both literary and athletic and has held office in many of them. She's the Senior class's idea of a fine all-round person

# AT BOLTON

MINNIE O'SHEE—Most Popular Girl—has for two years been one of the most popular for this term or that which is logical, for her activities have been many and her pep and friendliness are famous.

JAMES HOLLOWAY—Best Athlete—Most Popular Sportsman—has for two years been one of the most popular athletes Bolton has ever had. He is also active in numerous clubs and is president of B. A. A.

RALPH BREWER—Boy Most Likely to Succeed—has for two years been one of the most capable boys Bolton has ever had. He has been successful in his work, his studies, and his sports.

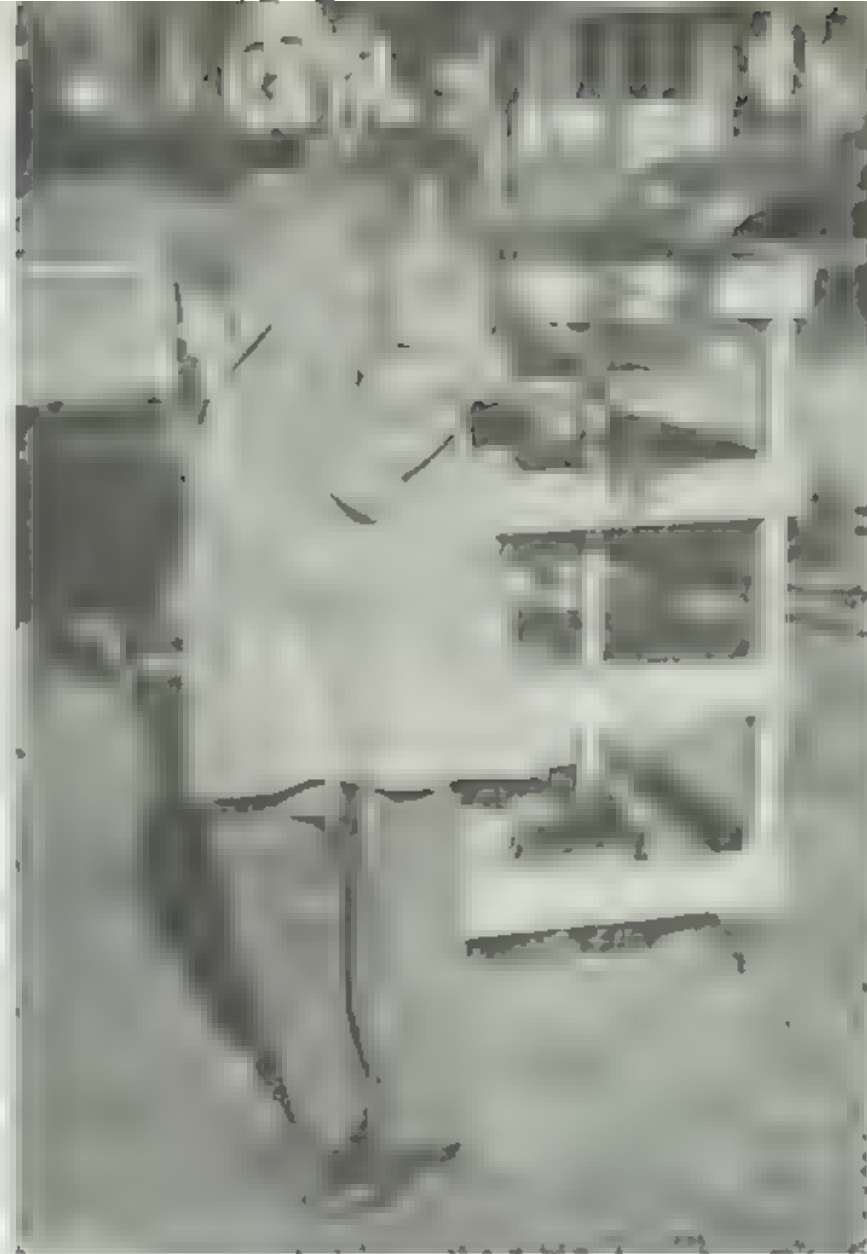

JULIA HOWARD—Girl Most Likely to Succeed—probably in the field of dramatics though she has a knack of bringing success to everything she touches, and with such quiet grace.

# WHO'S WHO

MARILYN LEVIN, Last Dress Girl. She is a knock out all the way good looking, a true old what's more knows how to wear them.

FRANK LAINE, Best Dancer. He is a great dancer and a great tennis player.

SHIRLEY HICKMAN, Best Assembly Program. She is a great dancer and a great tennis player.

BETTY ANN ADAMS, Best Assembly Program. She is a great dancer and a great tennis player.

# AT BOLTON

DOUGLAS FAIRBANKS—has been on his way, unperturbed, even though he be late, to the office.

PHYLLIS BROADWELL—is the one who did all the sketches and the other art work for BRUIN, working patiently and untiringly and never losing her poise.

AUBREY WHITE—has had a finger in practically every activity at Bolton, tears madly from one thing to another, without losing a pound, and is about the busiest person we know of.

BILL ZELLARS—was largely responsible for the photographic work in BRUIN and for the organization of the Camera Club. If Bolton ever has a ghost, it will be Bill's, darting in and out with a camera.

# WHO'S WHO

PATRICIA BOLTON is a member of the cheerleading squad. She is known for her loyalty and her enthusiasm for Bolton. She is especially interested in the study of English and history.

BETTY ROEDER is a member of the cheerleading squad. She is known for her loyalty and her enthusiasm for Bolton. She is especially interested in the study of English and history.

ALICE is a member of the cheerleading squad. She is known for her loyalty and her enthusiasm for Bolton. She is especially interested in the study of English and history.

NORMA WADE is a member of the cheerleading squad. She is known for her loyalty and her enthusiasm for Bolton. She is especially interested in the study of English and history.

# AT BOLTON

FRANCES M. SMITH, tennis player. She is outstanding, also, for her work on the Cumtux Staff

ROBERT T. ALLEN, tennis player. He is outstanding in basketball, in the band and on Cumtux Staff

JOHN CADE, member of the P. T. A. council.

EFFIE A. MITCHELL, member of the P. T. A. council. She is also active in other campus organizations

# WHO'S WHO

MARIE O'QUINN—has rendered valuable service helping in Mr. Brame's office. She is one of the finest and most dependable office assistants Bolton has ever had.

ALICE PETERMAN—brought Bolton into the limelight by winning 14 places or prizes in the 4-H club fair.

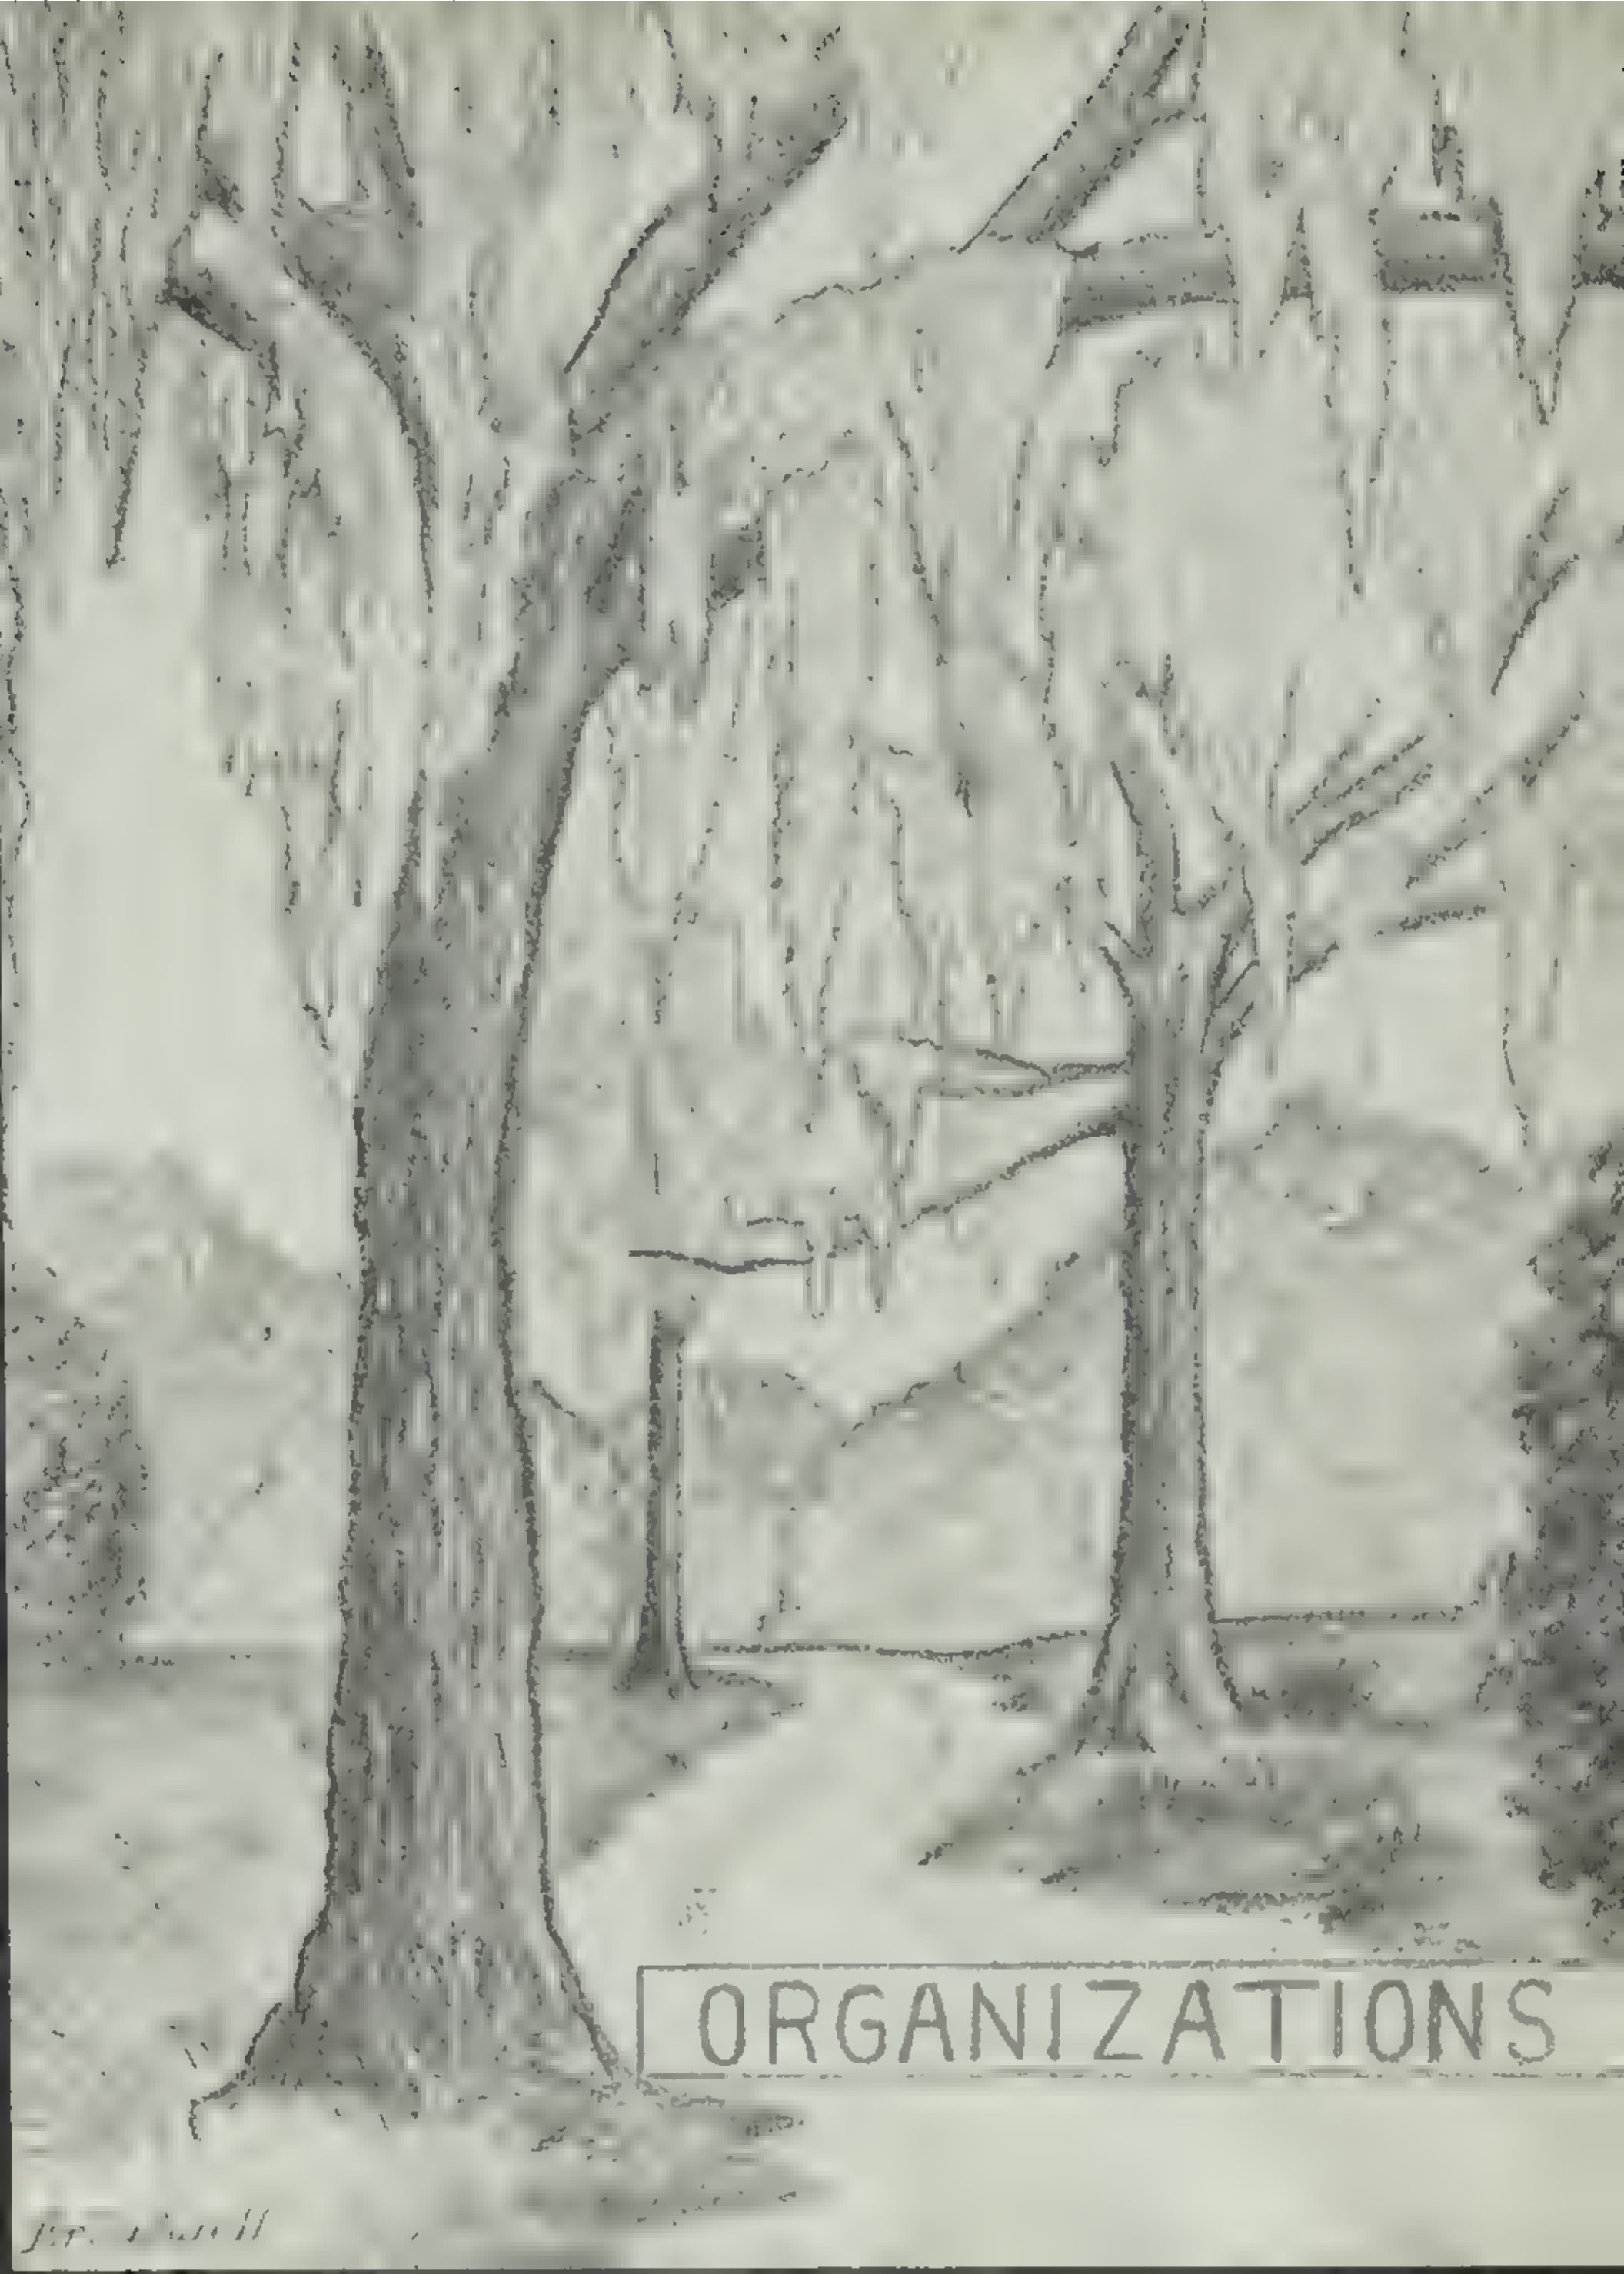

MARLA FAY—has been the driving force behind the collection of waste fats and paper and to keep eternally behind the drive.

FERD BENNETT—has been the driving force behind the collection of waste fats and paper and to keep eternally behind the drive.

# MUSIC AND DRAMATIC ARTS

## MUSIC DEPARTMENT

The Music Department this year is under the direction of a most capable new director, Mr George Stout. This department consists of a fifty-piece Concert Band, a hundred piece Football Band, an eighty five voice chorus and special classes in harmony.

The Concert Band has built up a fine reputation for good music throughout Louisiana. They have put on many excellent performances at numerous schools and at surrounding army camps. Every year the Concert Band plays a spring concert which is open to the public.

To pep up the school spirit the Football Band plays many snappy marches at the Football games and performs many excellent maneuvers at each half.

This year the largest Chorus Bolton has ever had has helped out immensely in assemblies and in other school programs.

## DRAMATIC CLUB

The Dramatic Club offers an opportunity to all students who are interested in practical or creative work in dramatics. Under the careful supervision of Miss Drake, the club studies at each weekly meeting some particular phase of acting such as pantomime, interpretation, or characterization.

The club often borrows an assembly with an interesting program or performs at community organizations, U. S. O. centers and the army camps.

Students interested in gaining practical experience in dramatics can make no better choice than to try for membership in this club.

## RADIO CLUB

The Radio Club has served during its two years of organization as a medium for teaching the student interested in radio work the techniques of good broadcasting.

The members of the Radio Club present a program, the Belton Bandwagon, each Thursday afternoon at 3:45. Various types of programs have been presented for such purposes as to promote school, community, and national interests, and to teach an appreciation of the better types of literature.

This club is under the able supervision of Miss Drake.

Second row: Fred Brasher, Mr. Clanton, Valeria Asup, Mary Alice Whitman, Dolores Serio

### MOVIE CLUB

The Movie Club in its second year of organization is composed of students who are interested in the field of motion pictures.

This year its aim is to gain useful and helpful information about the taking and projecting of films. They plan to invite men who are familiar with the movie world to give helpful talks to them at club meetings. They also plan to show educational pictures to the students.

The club is under the guidance and leadership of Mr. Richard Clanton.

### CAMERA CLUB

The Camera Club, under the sponsorship of Mr. A. K. Deason, is largely responsible for the photography work of the Cumtux and Bruin. This group learns how to develop and print all pictures that they take. This is one of the largest groups in Bolton's history to participate in the work of Bruin photography, and in the learning of the developing process.

The requirements for entrance are to own your own camera, to be interested in the work, and to be willing to give much time and attention to the club.

# JOURNALISM

## BRUIN

"A realistic picture of life at Bolton" has been the aim of the hard-working Business and Editorial Staffs of the Bruin. Its members are efficient journalistic minded students who are getting priceless experience which will help them later in life.

Miss Moore, who is head of the Business Staff, and Miss Morgan, who is faculty advisor of the Editorial Staff, help the students in making up the Bruin.

You may never forget your high school days, but only a Bruin can bring back to your mind such details of life at Bolton as those muscle-limbering exercises in gym, one of Bolton's thrilling football games, the "jam session" at recess, your favorite club, or the daily routine of classes.

The Bruin Staff has tried through all the usual difficulties plus those added ones resulting from the war shortage to record every little incident which will bring back happy memories to you.

### CUMTUX

A very popular feature of life at Bolton is the weekly newspaper, Cumtux.

"A little bit of the best of everything," is what the name, Cumtux, means and its staff of up-and-coming young journalists uphold the name, working untiringly spotting and editing news to record accurately the best newsworthy events of Bolton life and activities, while its energetic business staff hustles for ads to balance the paper's budget.

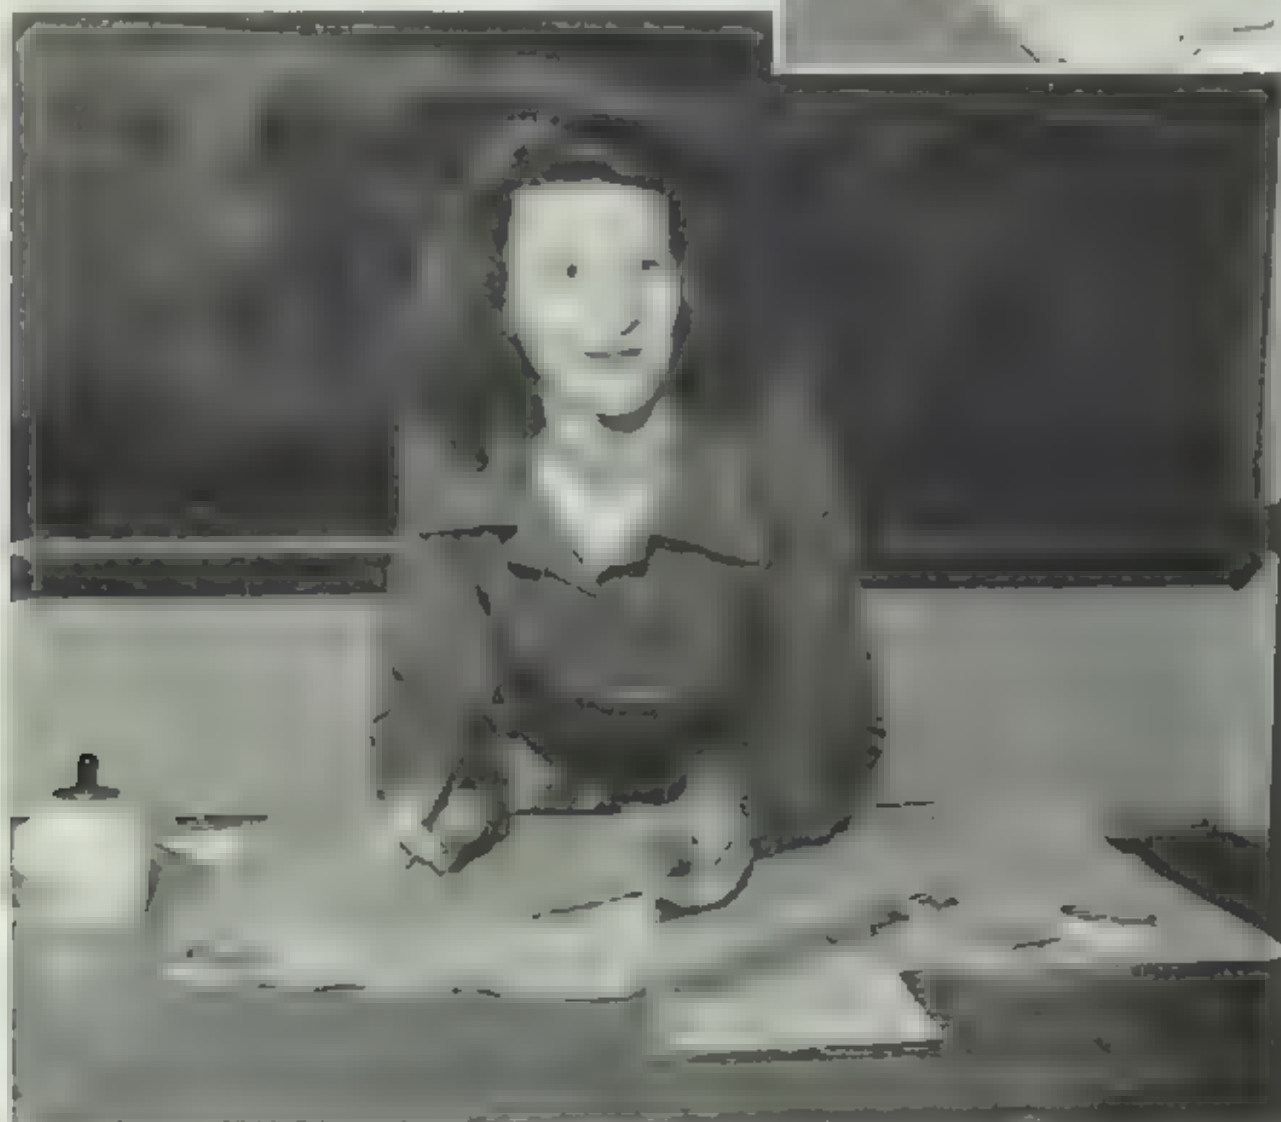

Cumtux, in addition to giving us the latest school news, provides much amusement through its feature page which offers student opinion, news of other schools, and all the lowdown on campus romances, fashions, and fads.

Cumtux is a student project ably guided by its faculty advisers, Mrs. Irene Holloman and Mr. A. B. Allday.

Without the entertainment and news furnished us by the school paper, our life at Bolton would not be the same.

## PRESS CLUB

The Press Club is carrying on the job of keeping the people of Alexandria well informed on all the activities of Bolton. This is done through the "Bolton High Notes," which appear daily in the Alexandria paper.

Under the guidance of Miss Thornton, the club is a well-organized group of students, selected from the outstanding members of the Cumtux and Bruin staffs.

The members of the Press Club well deserve the honor bestowed upon them as they strive in every way to give good publicity to the school.

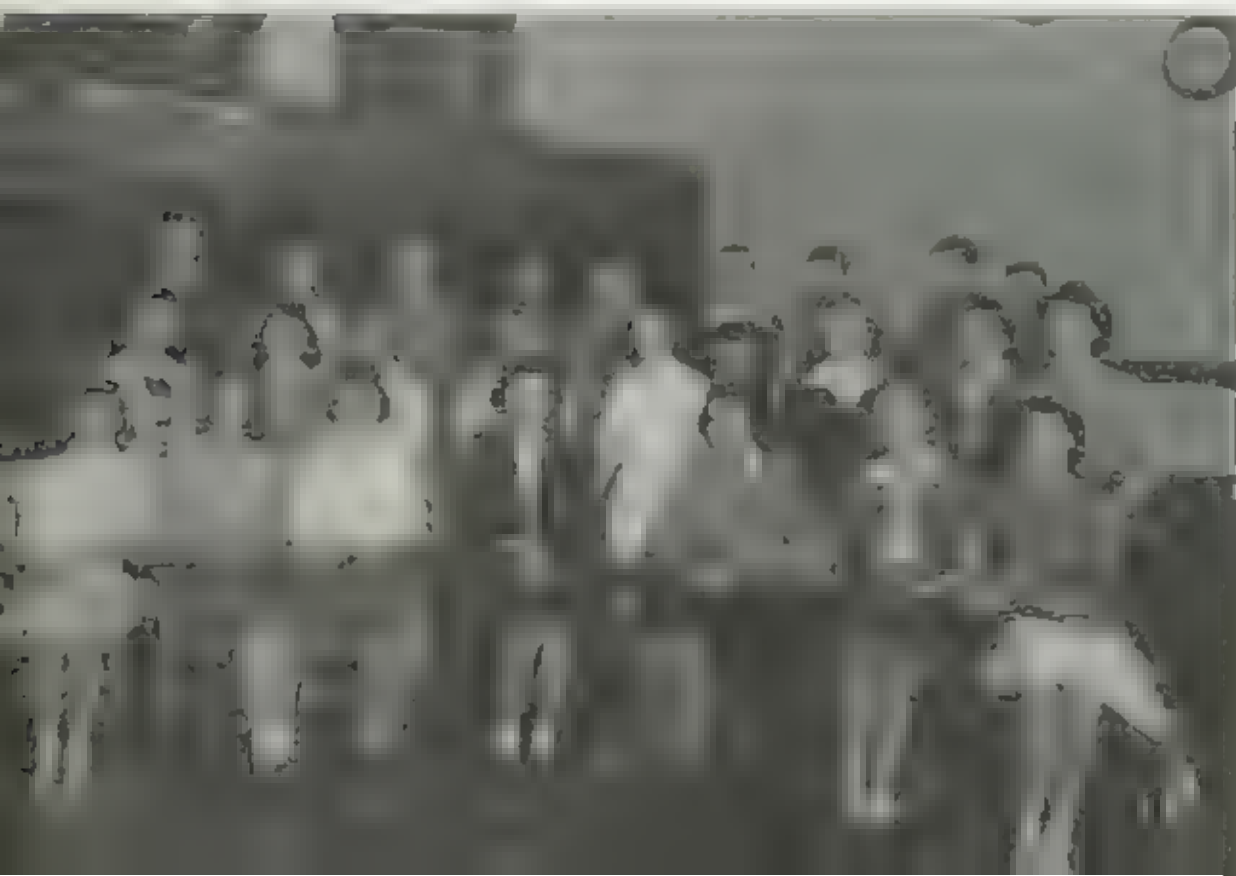

## QUILL AND SCROLL

The Quill and Scroll is an international honorary society for high school journalists.

Bolton's chapter, which was established in 1928, is composed of the outstanding members of the Bruin Staff, Cumtux Staff, and Press Club who have been recommended by the sponsors.

To qualify for the Quill and Scroll a student must be in the upper third of his class, a Junior or Senior, and must have shown outstanding journalistic ability.

The group meets only once a year, for the purpose of having its picture made, and is sponsored by Miss Thornton.

### SPANISH CLUB

The Spanish Club, under the sponsorship of Miss Juanita Burt, has chosen for its theme this year, a study of the Latin American countries which includes getting acquainted with the customs, old and new, the basic history, geography, politics, government, education, and the part these countries are playing in the war. At each weekly meeting they discuss "What's New in Latin America"

In the spring the club adds to the social life of Bolton by sponsoring a colorful fiesta to celebrate Pan-American week

### FRENCH CLUB

This year the French Club is new and different. It has always been an organization for pupils who were interested in learning more about the French people than just their language. This year, however, under the sponsorship of Miss de la Barre, the club's activities include the study of customs, songs, and folk dancing, French music, art, history and authors. Current events are given due attention and songs and games in French add lots of fun to the meetings of this instructive and interesting Club

#### 4-H CLUB

The Bolton 4-H Club, under the sponsorship of Miss Burt and Mr. Canterbury, is one of the youngest yet the largest club in the state.

It has worked during the past year to give its "Maximum Service to the War Effort" in stressing food production and preservation, by raising gardens, field crops and live stock, and, looking forward to their harvest, marketing and canning. The members are very active in the many salvage drives.

A three gun salute to the 4-H club of Bolton for its production on the Home Front

## THE SENIOR SCIENCE CLUB

The Senior Science Club is an organization of students who are interested in one or more of the branches of science. The student must make a "C" average in the science course which he is taking.

The purpose of the club is not only to acquaint its members with the latest developments, but to create new interest in science

The club has as its faculty advisor and capable director, Mr. T. A. Oliphant.

### LIBRARY STAFF

The Library Staff is composed of boys and girls who have excellent scholastic records, and who have an attitude of alertness and helpfulness

Their most important duty is to assist Miss Martin, the librarian, with arranging displays, waiting on the public, keeping books and shelves in order, and taking care of daily records

The Library Staff's main goal is to be of service to Bolton students who wish to use the books in the library

### TREASURY STAFF

The Treasury Staff has charge of the money of all the clubs and organizations at Bolton

The students who make up this staff are selected from the advance commerce classes, under the direction of Mr. Clanton. They are assigned important work which includes taking care of all the money taken in, registering it, and giving receipts

The old saying, "You get out of a thing what you put into it," proves true, for these students are getting valuable training which they will never regret having

### THE SAFETY COUNCIL

The Bolton Safety Council, composed of one elected representative from each home room, has for its aim the prevention of accidents. Through its work, the members influence students to become safety conscious and to avoid acts that might lead to accidents.

Miss Cambre, in her five years as faculty advisor, has done much toward the promotion of this club and its influential activities.

The scope of the year's program includes safety at school, on the streets, and in the home.

### BOOK ROOM STAFF

The Book Room Staff is an old and very capable organization at Bolton. Under the supervision of Mr. Miller, the pupils have done very well in keeping tab on the text books.

Before school opens in the fall, the members of this group meet with Mr. Miller at school, stamp and number all of the new books, and get everything in order for the new year.

The staff performs one of the biggest and most important jobs in the school and deserves much recognition for it.

## SCHOOL SERVICE

### MAIN OFFICE STAFF

Left to right: Virginia Oliphant, Dorothy White, Minnie O'Shee, Julia Howard, Alice Willson, Lucile Smith, Betty Adler, Shirley Craig, Sue Henderson, Lera Smith, Marie O'Quinn

### THE MAIN OFFICE STAFF

Service is a good motto for this staff which is composed of members of the student body, who are especially efficient, capable and trustworthy, for these students are entrusted with the care of the school records

Among their duties are included the power of writing admits, excuses, and sometimes K. I. R. These seem like wonderful duties; they are only a few

This group really deserves the praise of the whole school. Three cheers to the office staff for their fine work!

### MR. SMITH'S OFFICE STAFF

Another hard-working but little heard-of staff in school is Mr. Smith's office staff

Checking and listing the absentees is their main job and takes quite a lot of time. An absentee list to be sent to the main office must be made and typed every morning. Checking excuses and helping with the schedules take up the rest of this busy staff's time

These workers are a big help to Mr. Smith and the school and their splendid work is very much to be commended

### THE CAFETERIA STAFF

"We can live without books; what is knowledge but grieving? But where is the man who can live without cooks?" Day after day this staff serves well prepared, wholesome food to an average of 450 pupils. Hot and cold lunches served at third period and noon assure those who are unable to return home a well balanced diet

The cafeteria staff is composed of twenty one members under the leadership of Mrs Thomas Hickman, dietician

### THE CANTEEN STAFF

Everything is rationed in the canteen now, but that doesn't stop its popularity. Any time the canteen is open, you can see almost every one there

The staff, under the supervision of Mr Rodgers, does a fine job in serving everyone. The work is wonderful experience for these boys in developing courtesy and business ability

In buying war bonds and in putting their profits in the school fund for various improvements, the canteen is of still further service to the school. This staff really deserves a lot of praise for their efforts

Second row: June Cotey, Barbara Cappe, Merle Barker, Marilyn Levy, Polly Adams, Isabel Pitts, Kathleen Hooe, Kitty Bordelon

### BAND BOOSTERS

"Clear the field, here come the Band Boosters!" At every football game, these girls are on hand in their uniforms of traditional blue and white, ready to turn out one of their precise, snappy formations. Besides marching with the Band, they give out free football programs and sponsor a formal dance in the spring of every year.

This organization is ably sponsored by Miss Gladys Higdon and Miss Effie Gates, who help the girls to boost the band and to promote school spirit.

### BOOSTERS

This year the Boosters Club has again maintained its reputation as one of the most active groups in Bolton. The club is one of the school's oldest service organizations.

The Boosters' chief aim is to support all of Bolton's activities, to take part in various civic projects, and to boost the football team. The girls also contribute to the social life of Bolton by sponsoring the Homecoming and Spring Dances.

The Boosters owe a great deal of their success and spirit to their able faculty advisors, Miss Lewis and Miss Downs.

B A A

Left to right: Buddy George, Vice-President, Shirley Hickman, Secretary, Graves Holloway, President

B A A

The Bolton Athletic Association, better known as the B. A. A., is one of the largest and most cooperative organizations in school. The main purpose of this organization is to further school spirit and interest in sports. Season activity tickets are sold through this group to help accomplish this goal. Frequent pep-meetings, to which only members are admitted, are held to build up the morale of the students as well as the teams. These deeds are only a few compared to the many the B. A. A. performs for which the whole school gives hearty thanks.

## THE BRUINETTES

Bolton's Bruinettes, under the capable leadership of Miss Ann McClellan, have finished another successful year.

Organized as assistants to the cheer leaders in 1941, this pep squad, with their streamlined blue and white uniforms and grandstand pep, added life and color to our football games. They have never lost sight of their aim, for with their organized yells, they have done much to cheer Bolton to victory and bolster the morale of both the team and the students.

## SENIOR FORENSIC SOCIETY

The Senior Forensic Society consists of advanced debaters who have already had the foundation and the fundamentals of debating. Not only have they had the training, but they have also had the experience needed to become members of this club

One of the special features of this club is their participation in the different tournaments held throughout the state. Besides this, the club sponsors all lyceum programs. This club is indeed a credit to Bolton

## THE DEBATE CLUB

Resolved "That the Legal Voting Age Should Be Reduced to Eighteen Years" has been the debate subject for this group of convincing speakers of the 1944-45 season. With the supervision of Mr. McKay and Miss Cheves, these debaters are acquiring a solid foundation for public speaking. Although the war presents many difficulties, these eager students look forward to tournaments at Natchitoches, Dallas, and New Orleans

This Society has really proved itself worthy of its name, for the members not only engage in serious work but they enjoy many other activities.

### JUNIOR RED CROSS

With magnolias, camellias, cape jasmynes, and other Louisiana flowers provided weekly to the nearby camp hospitals, the Bolton chapter of the Junior Red Cross has won recognition throughout the United States

Among their other activities have been the making of toys for children in many lands, the collecting of books and magazines, ash trays, vases and numerous other articles for the soldiers here and overseas

This chapter was organized in 1942, and under the director of Mrs. Lena Moore, has grown to be one of the most active in the state

### SALVAGE CLUB

Bolton's Salvage Club, the first in the state, was organized in 1942. Miss Lievens, the sponsor, with the assistance of a group of patriotic and hardworking students, has collected many tons of waste fats, paper and other needed war materials

Their salvage parades, with police escort, sirens, trucks, cars and bikes, have produced excellent results and have provided lots of fun as well

The club members are to be commended for their untiring efforts to keep Bolton working "All our for Victory"

### NATIONAL HONOR SOCIETY

The Beta Tau Sigma Chapter of the National Honor Society is composed of high ranking students, selected for character, leadership, scholarship, and service to the school.

Pupils from Terms VI, VII, VIII are eligible for nomination by the students of the same terms; a faculty committee of five makes the final selections.

The goal of the club this year is to keep the Minuteman Flag flying by encouraging 96 per cent of the students and faculty to buy bonds and stamps, and to promote the welfare of the school and the development of every pupil in it.

### BLUE BIRDS

The Blue Birds Club is made up of girls in Terms I and II. To be invited into this organization, the girl must have a high scholastic average. The Club's activities include the making of scrap books, gift cards, and the giving of general aid to the Red Cross. They also collect paper and grease and turn it in as a group.

Happiness is one of their symbols and they live up to this by being kind and spreading cheer.

Besides being happy, the Blue Birds are courteous, patriotic, and try to develop the qualities necessary to become leaders in the many activities at Bolton.

## PELICAN STATE

To be a citizen of Pelican State, a state-wide project, held on the campus of Louisiana State University, one must have shown that he is capable of leadership and responsibility, is willing to serve his school in every way possible, is honest, intelligent, and at least in his third year at high school.

The purpose of Pelican State is to educate boys and girls in the duties and responsibilities of the officials of their state. Citizens of

Pelican State perform exactly the same duties as real officeholders. They organize their own cities, parishes, and states. By regular election procedures, they elect their own officials and learn the duties of these officials. They introduce and argue their own bills in a legislature. They have their own law-enforcement agencies and courts.

In Pelican State the young citizen has the opportunity to learn for himself that his government is just what he makes it.

ATHLETICS

## FOOTBALL

Four main factors made for the Bolton Bears' 1944 football record of two wins, two ties, and six defeats — inexperience of the regulars, injuries to several first team men, the learning and application of a new system of plays under two new coaches, and the unusually stiff competition of other state elevens.

Beginning with only six lettermen—Graves Holloway, John Caesar, Buddy George, Ambrose Vercher, Sam Hay and Cecil Colwell—Mr. Stallcup and Mr. Galloway, the Bruins' two new coaches, had to start from scratch to create a winning combination. Under the trained eyes of Conches Stallcup and Galloway, the Bears were shifted from one position to another until they were ready for their first game. The eleven boys who worked together on the first string most of the year were, from end to end, Holloway, Lewis, Lacombe, Hay, Doenen, Fuqua and Colwell, and in the back field Caesar, George, Vercher and Straughan.

The season was proclaimed a success even in the face of six losses. The way the unseasoned Bruins played against powerhouses like Fair Park and Byrd of Shreveport and state champions, Baton Rouge Bulldogs, was mentioned favorably by the Alexandria fans. Every game, except the contest against Lake Charles, in which the Bears had all three No. 1 ball carriers on the sidelines, was a close affair with the boys sporting the blue-and-white uniforms fighting desperately until the last whistle was blown.

And the Bears' fame did not go unshared. Graves Holloway, three-year letterman at left

end, won a third string slot on the highly-contested all-state team, and Tommy Lacombe, left guard, and J. P. Straughan, fullback, made honorable mention.

Holloway, Lacombe, Hay, George, Caesar and Colwell made the Cumtux's all-district squad. Holloway was chosen captain of the

## A RESUME OF THE SEASON

**September 15 at Alexandria:** Outclassed by four Bruin touchdowns, the Natchitoches high school eleven fell in defeat before Bolton, 24 to 0, in the locals' first home game of the season. Vercher, Holloway, George and Straughan scored one touchdown apiece.

**September 22 at Alexandria:** The Baton Rouge Bulldogs, who were to be state champions in AA-prep school football, romped over a fighting Bruin squad, 20 to 0, before an overflowing crowd. A superior line held back the Bears' offensive and all-state Rip Collins led the Bulldogs' touchdown drives.

**September 29 at Shreveport:** Everything seemed to go wrong as the scrappy Bears lost their first road trip, 19 to 0, to district champions Fair Park, by the same score which the Indians beat Bolton the previous year.

**October 13 at Alexandria:** Bolton and the Jennings Bulldogs played to a 13-13 tie in a district fracas, as Buddy George took the time-light for the Bears, doing an outstanding job in running, blocking and tackling. Colwell and George scored, with Caesar making the extra point.

**October 20 at Alexandria:** The blue and-white aggregation rolled up a 47 to 0 score over Winnfield's Tigers in an unexciting con-

test. Vercher, George, Straughan, Caesar and Danning each scored once and Broussard twice, George making four extra points from placement, and Cannon plunging over for a fifth

**October 27 at Alexandria:** The Bears and Byrd played 6 to 6 for three quarters, then the visitors broke the deadlock for two tallies late in the fourth period, winning 19 to 6. An at-

tempted Bruin pass to tie-up the score at 13 all at the end of the game boomeranged, a Byrd back running 85 yards for the third tally. Vercher scored for Bolton on a 20-yard sprint

**November 3 at Baton Rouge:** Although leading Catholic High in both yards from running and from passing, Bolton went down in defeat for the fourth time, 14 to 7, Vercher making the only score for Bolton. George converted

**November 10 at Baton Rouge:** Scoring on three passes from George to Holloway, Bolton met defeat the second time in two weeks at the Capitol City, 26 to 18, this time to Istrouma

**November 17 at Alexandria:** Bolton tied Ouachita in the Bears' last home game, 13 to 13, outplaying the Monroe Lions in all departments, necessitating the Lions to go to the air for their two touchdowns. George and Vercher scored, Holloway making the extra point

**November 22 at Lake Charles:** The Wildcats won the championship of the southwestern district from Bolton, 40 to 13, while Bolton's three ball carriers were on the sidelines nursing injuries. Holloway made 103 yards on passes. Straughan, Caesar and subs Cannon, Barmore, and Coker, were the only backs in for Bolton

into one of the best. With Guards Jack Cappel and Skeeter Mathews feeding the ball to Holloway, who in turn either shoots or passes to Forwards Scott Brame and Robert Taylor, or their sub-forwards, Charles McNutt and Bobby Broussard, the Bears have an offensive powerhouse

Other varsity men who have seen action are Buddy George, John Daenen, Charles Price, Billy Roberts, Mike Flynn and Bobby Bentley

The Cubs, or Bolton's junior team, will furnish much of next year's varsity material, since several regulars will be lost by graduation. Coached by Mr. Galloway, with Mr. Stallcup as assistant, they line up with Francis Fuglaar, Saul Kaplan, Vallery Pharis, Joe Westerschill and H. P. Mayeux as the starting five

Centered around Holloway, six-foot, five-inch center, the Bears boasted one of the tallest teams in Bolton history, and if pre-season form has anything to do with a squad's potentialities, the '44-'45 quintet might turn

## GIRLS' GYM

This year Miss Ann McClellan has intensified the gym program of the girls

The girls have been taught how to play basketball, and there have been several tournaments in which the different classes participated. This is a new sport which has not been taught in girl's gym for several years

Another new feature of this year's program is tumbling. Some of the girls have become very accomplished in this field

Besides basketball and tumbling Miss McClellan is teaching the usual sports, tennis, volleyball, badminton, ping-pong, shuffleboard and folk dancing. She has done a great deal to improve the physical training of the girls at Bolton

- The hungry mob makes a bee-line for the canteens
- Hard to choose from so much tempting food and so much variety
- Expensive drinks hardly the cash register as the price goes up
- Some of the faculty are attracted to the good food and the custom of coffee drinking
- Not much time for talking for these harassed students
- A typical mid-hour campus scene

## A RESUME OF THE SEASON

---

**September 15 at Alexandria:** Outclassed by four Bruin touchdowns, the Natchitoches high school eleven fell in defeat before Bolton, 24 to 0, in the locals' first home game of the season. Vercher, Holloway, George and Straughan scored one touchdown apiece

**September 22 at Alexandria:** The Baton Rouge Bulldogs, who were to be state champions in AA-prep school football, romped over a fighting Bruin squad, 20 to 0, before an overflowing crowd. A superior line held back the Bears' offensive and all-state Rip Collins led the Bulldogs' touchdown drives

**September 29 at Shreveport:** Everything seemed to go wrong as the scrappy Bears lost their first road trip, 19 to 0, to district champions Fair Park, by the same score which the Indians beat Bolton the previous year

**October 13 at Alexandria:** Bolton and the Jennings Bulldogs played to a 13-13 tie in a district fracas, as Buddy George took the lime-light for the Bears, doing an outstanding job in running, blocking and tackling. Colwell and George scored, with Caesar making the extra point

**October 20 at Alexandria:** The blue and-white aggregation rolled up a 47 to 0 score over Winnfield's Tigers in an unexciting con-

test. Vercher, George, Straughan, Caesar and Denning each scored once and Broussard twice, George making four extra points from placement, and Cannon plunging over for a fifth.

**October 27 at Alexandria:** The Bears and Byrd played 6 to 6 for three quarters, then the visitors broke the deadlock for two tallies late in the fourth period, winning 19 to 6. An at-

tempted Bruin pass to tie-up the score at 13 all at the end of the game boomeranged, a Byrd back running 85 yards for the third tally. Vercher scored for Bolton on a 20-yard sprint.

**November 3 at Baton Rouge:** Although leading Catholic High in both yards from running and from passing, Bolton went down in defeat for the fourth time, 14 to 7, Vercher making the only score for Bolton. George converted.

**November 10 at Baton Rouge:** Scoring on three passes from George to Holloway, Bolton met defeat the second time in two weeks at the Capitol City, 26 to 18, this time to Istrouma.

**November 17 at Alexandria:** Bolton tied Ouachita in the Bears' last home game, 13 to 13, outplaying the Monroe Lions in all departments, necessitating the Lions to go to the air for their two touchdowns. George and Vercher scored, Holloway making the extra point.

**November 22 at Lake Charles:** The Wildcats won the championship of the southwestern district from Bolton, 40 to 13, while Bolton's three ball carriers were on the sidelines nursing injuries. Holloway made 103 yards on passes. Straughan, Caesar and subs Cannon, Barmore, and Coker, were the only backs in for Bolton.

## BASKETBALL

As Bruin's deadline for copy drew near, the Bolton Bears' cage team had a record of five wins and three defeats, contemplating entrances in the Natchitoches, Central and State rallies and single games with Ouachita of Monroe, Fair Park of Shreveport, Istrouma of Baton Rouge, Coushatta, Natchitoches and other school teams

(The 1943-44 record was sixteen victories and six defeats, placing second in the Central tournament and being eliminated in the State by the competent Baton Rouge Bulldogs. Since Buster Lowther was the only first string loss to the '44-'45 team, the Bears had high hopes of exceeding their '43-44 record)

The next game on Bolton's schedule when this writeup went to press was against Ouachita of Monroe on the home court on Friday, January 19. The Bears were then entering the stage when they had gained valuable experience by playing several lower-class schools and were now ready for bigger competition

ment, with the Bears losing out in the semi-finals. Afternoon games were won from Tioga and Lecompte, as well as an out-of-town game from El Dorado, Ark. Bolton was beaten, 44 to 38, by Istrouma, and 45 to 41 by Natchitoches in the first two home night games

The Natchitoches loss on January 13 marked the fourth time that Bolton's cagers had

been beaten on their home court in the past six years under Coach Leo Marler. Not many high school quintets can boast this record.

Centered around Holloway, six-foot, five-inch center, the Bears boasted one of the tallest teams in Bolton history, and if pre-season form has anything to do with a squad's potentialities, the '44-'45 quintet might turn

into one of the best. With Guards Jack Cappel and Skeeter Mathews feeding the ball to Holloway, who in turn either shoots or passes to Forwards Scott Brame and Robert Taylor, or their sub-forwards, Charles McNutt and Bobby Broussard, the Bears have an offensive powerhouse.

Other varsity men who have seen action are Buddy George, John Daenen, Charles Price, Billy Roberts, Mike Flynn and Bobby Bentley.

The Cubs, or Bolton's junior team, will furnish much of next year's varsity material, since several regulars will be lost by graduation. Coached by Mr. Galloway, with Mr. Stallcup as assistant, they line up with Francis Fugloar, Saul Kaplan, Vallery Pharis, Joe Westerschill and H. P. Mayeux as the starting five.

## GIRLS' GYM

This year Miss Ann McClellan has intensified the gym program of the girls.

The girls have been taught how to play basketball, and there have been several tournaments in which the different classes participated. This is a new sport which has not been taught in girl's gym for several years.

Another new feature of this year's program is tumbling. Some of the girls have become very accomplished in this field.

Besides basketball and tumbling Miss McClellan is teaching the usual sports, tennis, volleyball, badminton, ping pong, shuffleboard and folk dancing. She has done a great deal to improve the physical training of the girls.

## INDUSTRIAL RELATIONS

Bethel was one of the first high schools to offer a course in Industrial Relations. In the past several years more and more pupils have been availing themselves of the opportunity thus afforded to gain practical training and experience in some chosen occupation. These pupils attend school in the morning and work the rest of the day in banks, retail and wholesale stores, shops of various kinds, hospitals and what not under the guidance and supervision of Mr. Davis who has done so much to build up this course.

Below are pictured some of the pupils at their jobs.

1. Wiley Nugent and Bobby Leavines are bank clerks at the Rapides Bank.
2. J. W. Fleshman and L. D. White study mechanics at Auto Parts and Battery.
3. Calvin McGrew and Francis Pierce sell shoes at Baker's Shoe Store.
4. Francis Bordelon studies printing at Curt's Print Shop.

"I saw in Louisiana a live-oak growing,  
All alone stood it, and the moss hung down from the branches;  
——and though the live-oak glistens there in Louisiana,  
solitary, in a wide flat space,  
Uttering joyous leaves all its life, without a friend  
——near  
I know very well I could not."

—Walt Whitman

Even as Whitman could not have stood alone without friends near, so this Bruin could not have been published without friends. Miss Morgan, Miss Moore, and Miss Gates who guided and directed it through the many intricacies involved; Miss Thornton, Miss Lievens, and their classes who helped us type the vast lot of copy for the book, Mrs. Peters and Mrs. Longmore who gave helpful suggestions and advice. Mr. Brame who cooperated with us at every step, and even permitted the interruption of classes when pictures needed to be made. the student body and the entire faculty who never complained at the inconveniences and interruptions we sometimes imposed upon them, the entire Bruin Staff who were ever eager and willing to do their part of the work, the Shreveport Engraving Company. Kohara Studio, and Standard Printing Company, who, though their work was of a commercial nature, always worked with us as friends.

We wish to thank them all, for they by their friendship and cooperation made this Bruin possible.

•

A senior, co-educational college of liberal arts and sciences, fully accredited by state and national standardizing organizations. Founded in 1906. Beautiful campus attractively covered with stately pines. New buildings and equipment being added to meet growing demands. Streamlined calendar to enable students to complete work for Bachelor's Degree in three years. Faculty composed of well-trained and experienced experts in respective departments. Nine weeks' summer term beginning first Tuesday in June with department heads as teachers and instructors. Regular session begins the second Tuesday in September.

An earnest effort is made to generate and promote a helpful Christian atmosphere on the campus for the benefit of entire college group. Effective student organizations maintained throughout the year. Strong pre-professional and pre-vocational courses in curriculum.

For further information phone President at office, 5124; residence, 2-2994, or Dean at office, 3236, or residence, 5203. Catalogs and other information furnished by mail on request. College offices open during work hours for conferences with prospective students and patrons.
